LETTER TO EXAMINER REGARDING INACCURATE FEES PAID

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The above captioned application was allowed April 25, 2007.

After review of the file, applicants submit that although a large entity status was asserted, small entity fees were paid in the last four fee payments.

Therefore, there is a deficiency owed resulting from the previous erroneous payment of small entity fees in an Extension of Time filed May 9, 2005, a Request for Continued Examination filed on October 10, 2005, an Extension of Time filed December 8, 2005, and another Extension of Time filed October 10, 2006.

The Extension of Time fee of \$375 was filed on May 9, 2005, the Request for Continued Examination fee of \$395.00 was filed on October 10, 2005, and the two remaining Extension of Time fees of \$60.00 each were paid on December 8, 2005 and October 10, 2006. The total payment for the fees as a small entity was \$890.00.

**The total deficiency payment now owed is \$890.00** which is the sum of the individual deficiency owed amounts for each fee amount previously erroneously paid as a small entity. A check for the amount of \$890.00 is attached.

The Commissioner is hereby authorized to charge any deficiency or credit any excess to Deposit Account No. 14-0112.

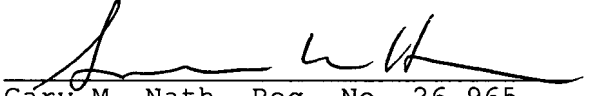

At this time, the applicant is not paying any fees for the Notice of Allowance, Publication and Issue Fee that are due July 25, 2007. The decision regarding those fees will be made at a later date.
